

Mayor Drops in on thriving Club

Mayor Darryl Nicholas recently visited the Exe Table Tennis Club to see the thriving club in full swing. The Mayor witnessed 15 tables all in use by over 66 members, with ages ranging from 8 to 70 plus.

Mr Nicholas was amazed at the family presence and agreed that he'd seen nothing similar in local sport. Whilst he was impressed with the current facilities, he recognised the need for extra premises.

During the evening the Mayor showed his skills as can be seen in the photo below, at the end of the evening he even took away a membership application form.

With the Council keen to promote leisure ideas as much as possible, ExeTT will be pushing for their own larger premises and will be making representations to the Council as part of the Exmouth Plan for redevelopment.
